

Manufacturing Production

Slightly better times coming for factories.

Retail Rent & Vacancy

Just a hint of improvement for commercial landlords

U.S. Exports to China

I'm nervous about China. Major exporters should do some contingency planning.

Stock Market

Hard to see 2013 being as good as 2012

Consulting

Contingency Plans for Economic Uncertainty: Dr. Conerly can help you gain the flexibility to handle economics risks, both downside and upside.

What Am I Missing? Successful business strategy needs a unique, independent observer to shine a light in the dark places. Larger profits and less risk result from a better understanding of opportunities and threats.

Business Models: Dr. Conerly wrote one of the first evaluations of the potential for business-to-business electronic commerce. One analysis of new delivery strategies saved a company \$12 million in capital expenditures. Dr. Conerly should have charged more for his services.

Associates: Tom Linnemann is an expert at operations and finance. Kathy Maixner is a top-line sales expert.

Businomics: From the Headlines to Your Bottom Line--How to Profit in Any Economic Cycle

Business leaders know that the economy affects their sales, costs and profits. But they often fail to translate economic news into action steps that will protect and grow their profits.

The solution is *Businomics™: From the Headlines to Your Bottom Line: How to Profit in Any Economic Cycle*, which connects the dots between the economic news and business decisions.

How vulnerable is your business to recession? *Businomics™* explains why some sectors are highly susceptible to downturns, while others are fairly stable—and they are not always the sectors you expect!
