The economy will start to grow soon, but... it won't recover all lost ground for another year.

Factories still cutting back.

Housing might be leveling off.
Exports

Foreign economies also hurting

Money Supply Growth

M-2

The Fed is pumping a lot of stimulus into the economy.

Yield Spread: 10-yr to 3-month

Steepening yield curve is usually a sign of stronger economy in near future.

Stock Market

The beginnings of a rebound?
