Net New Jobs

No growth yet.

Initial Claims for Unemployment Insurance

But layoffs are declining.

Retail Sales

Getting a recovery of retailers.

ISM Manufacturing Index

(formerly Purchasing Managers Index)

Manufacturers are expanding activity.

50 indicates stable economy
The Businomics® Newsletter

January 2010

U.S. & China Economies

China will become the world's largest economy, more on this topic on the blog.

Mortgage & Asset Backed Securities Issued

Foreign residential mortgages are the primary asset now.

Mortgage Rates

The Fed will stop buying mortgage-backed securities in March. Rates will rise a bit, but still be low by historical standards.

Stock Market

Those who panicked & sold in February are now sorry.
