**Businomics:** From the Headlines to Your Bottom Line—How to Profit in Any Economic Cycle

Business leaders know that the economy affects their sales, costs and profits. But they often fail to translate economic news into action steps that will protect and grow their profits.

The solution is **Businomics™: From the Headlines to Your Bottom Line: How to Profit in Any Economic Cycle**, which connects the dots between the economic news and business decisions.

How vulnerable is your business to recession? **Businomics™** explains why some sectors are highly susceptible to downturns, while others are fairly stable—and they are not always the sectors you expect!
